

NEWSFLASH

Most people don't realise this but by using a copywriter for the content of your website you can have your site ranked higher and get more targeted traffic

Stuck with your copywriting?
Can't think of what to say?
Want your writing to be keyword optimised for website content?
Want your writing to be 'sexy' not boring?

You need the help of an expert

Can't afford a copywriter?

You can now – as an introduction offer, the first 10 clients who respond to this promotion will receive one web page of content (keyword optimised with anchor text links and images)

\$22

**You probably spent thousands on your website
Don't spoil it because you won't spend a few more dollars
on improving your content!**

Don't miss this opportunity - enquire now

Barbara Gabogrecan published author and former columnist for the Herald Sun and The Age. Writer of content for two websites that have gained number one position on page one on Google, can help you achieve a better result from your website.
